Paid off!
as of May 2025!

- **Over \$325,000** annual savings for WSC students and their families
- **Nearly \$29 million** investment in the students of Westminster Seminary California
- **368** Individual Donors
- Monthly rental rates **more than 50% below** local market value

"In addition to the amazing education I received here, I am also grateful for the campus housing and how it fostered a deep sense of community. I appreciate how seriously WSCAL takes studying Scripture, but also how this school promotes an environment for future ministers to build close relationships."

- WSC Graduate & Former Village Resident
