TUESDAYS

This spring we look forward to hearing devotionals from a variety of pastors during our Tuesday morning chapels. We hope you will be able to join us.

THURSDAYS

The Philippian church is one of Paul's most beloved congregations. In response to their gift while he was imprisoned, the apostle writes this letter filled with life-giving words about Christian fellowship, grounded in a specific word about Christ. Indeed, every word flows in and out of Philippians 2:6-11, the Christological centerpiece that reveals who Christ is and how those who belong to him are to live.
