Deviation from this schedule may result in course conflicts that delay your program. Consult the Registrar prior to making changes. Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see “Academic Placement” in the Academic Catalogue).

¹Students are required to take OT520: English Bible Survey for general elective credit unless they test out by exam. If OT520 is not taken for credit, then students should take 2 hours of general elective credit in its place.

² At least 4 general elective credits must be taken this semester to meet the 12-credit minimum for full-time status.

³ The MABS requires 10 general elective credits, 2 CH elective credits, and 6 ST elective credits (including either ST602 Christology [3] or ST701 Soteriology & Eschatology [4]). Any ST credits beyond these 6 and any CH credits beyond the 2 will be counted toward the degree’s general elective requirement. Unless otherwise noted, this calendar’s schedule of electives is suggested, not required.

⁴ At least 2 general elective credits must be taken this semester to meet the 12-credit minimum for full-time status.
