Deviation from this schedule may result in course conflicts that delay your program. Consult the Registrar prior to making changes. Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see “Academic Placement” in the Academic Catalogue).

¹ Students are required to take OT520: English Bible Survey for general elective credit unless they test out by exam. If OT520 is not taken for credit, then students should take 2 hours of general elective credit in its place.

² The MAHT degree requires 9 general elective credits. This calendar’s schedule of electives—general and otherwise—is suggested, not required.

³ Students in their final two semesters who are taking all courses that they need to graduate are considered full time, regardless of credit load.

⁴ MAHT students are required to take 2 ST elective credits and may fulfill this requirement during either semester of the third year. If a student takes more than the 2 required ST elective credits, the additional credits will be counted toward the degree’s general elective requirement.
