Deviation from this schedule may result in course conflicts that delay your program. Consult the Registrar prior to making changes. Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see “Academic Placement” in the Academic Catalogue).

¹ Students are required to take OT520: English Bible Survey for general elective credit unless they test out by exam. If OT520 is not taken for credit, then students should take 2 hours of general elective credit in its place.

² The MATS degree requires 6 general elective credits. This calendar’s schedule of electives—general and otherwise—is suggested, not required.

³ Students may fulfill this requirement once the language prerequisites have been met. Students must take 8 total credits of Biblical Studies (NT or OT prefix). This total must include NT500 and OT500. Any NT or OT credits earned over the required 8 will be applied to the degree’s general elective requirement.
