* Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see “Academic Placement” in the Academic Catalogue).

¹ The MDiv requires 5 general elective credits. The schedule of general elective credits on this calendar is suggested, not required.

² Students are required to take OT520 English Bible Survey for general elective credit during their first Spring semester unless they test out by exam. If OT520 is not taken for credit, then students should take 2 hours of general elective credit in its place.

³ Courses that satisfy the PT511 elective requirement are listed in the Academic Catalogue and identified on the Winter Course Schedule.

⁴ Students in their final 2 semesters who are taking all courses that they need to graduate are considered full time, regardless of credit load.
