

TRINITY PRESBYTERIAN CHURCH

— GUAM —

PASTOR NEEDED

A STRATEGIC MINISTRY OPPORTUNITY
in the Western Pacific

ABOUT MM&I

Ministry to the Military and Internationals (MM&I) exists to support and establish confessional Presbyterian ministry among military communities and international populations around the world. Through faithful preaching, discipleship, evangelism, and shepherding, MM&I seeks to bring the ordinary means of grace to those whom God, in His providence, has gathered from many nations and stationed in strategic locations across the globe.

ABOUT TRINITY PRESBYTERIAN CHURCH

Trinity Presbyterian Church was planted in 2015 and has become a stable, established PCA congregation serving military families, local residents, and internationals on the island of Guam. We are the only confessional Reformed church on the island.

Guam is home to major U.S. military installations and a growing international presence. Our congregation reflects this diversity as we minister to active-duty personnel, government civilians, contractors, retirees, and their families from across the United States and around the world.

A CHALLENGING BUT REWARDING MINISTRY

Ministry in Guam is not easy. Military assignments create continual turnover. The pastor must be willing to invest deeply in people, knowing that some relationships may only last a few years.

Yet the opportunities are extraordinary. You will introduce people to the doctrines of grace, disciple military families in pivotal seasons, engage a multicultural community, and help establish a lasting Reformed witness in one of the most strategically important regions of the Pacific.
