Deviation from this schedule may result in course conflicts that delay your program. Consult the Registrar prior to making changes. Propaedeutic requirements (*) may be satisfied by course, exam, or waiver (see "Academic Placement" in the Academic Catalogue).

¹ The MDiv requires 5 general elective credits. The schedule of general elective credits on this calendar is suggested, not required.

² Students must take OT520 English Bible Survey for general elective credit during their first Spring semester unless they test out by exam. If OT520 is taken for credit, then the number of general elective credits listed elsewhere on this calendar should be reduced by 2.

³ Courses that satisfy the PT511 elective requirement are listed in the Academic Catalogue and identified on the Winter Course Schedule.
