TUESDAYS

This spring we look forward to hearing devotionals from a variety of pastors during our Tuesday morning chapels. We hope you will be able to join us.

THURSDAYS

John 17 records the longest prayer of Jesus recorded in Scripture. The prayer was offered during the final week of his earthly ministry, with the cross, and beyond it, already in view. Often called his "high priestly prayer," Jesus prays for the father's glory, their mission, and his people. Join us as Dr. Craig Troxel unpacks this prayer.
