

Ministry Opportunities: Lead Pastor & Pastoral Intern

Location: Turin (Torino), Italy

Church: [The International Church of Torino](#)

About Us

The International Church of Torino is a vibrant, evangelical, English-speaking congregation of approximately 80 people representing over 20 races and nationalities. We are a warm, family-oriented community that regularly gathers to study God's Word, pray, and share meals together. We operate out of our own comfortable ministry facilities.

Position 1: Lead Pastor

We are seeking an experienced, Reformed, Christocentric lead pastor with a deep commitment to expository preaching. The man we are seeking should have a clear pastoral calling and be able to kindly shepherd a diverse community of God's people.

- **Financial & Visa Structure:** The church provides a standard local Italian salary, which may be considered modest by Australian or North American standards. This role would ideally suit an individual who is semi-retired, possesses private resources, or has a network of home churches to provide supplemental missionary support.
- **Flexible Arrangements:** To accommodate tax regulations, we are open to a scheduling arrangement where the pastor serves on-site for 6 months of the year to avoid becoming a formal tax resident in Italy.
- **Assets:** Holding a European Union passport is a significant asset for administrative and visa purposes.
- **Transition Support:** The founding and retiring pastor, Martin Spadaro, will remain available to assist with transition care, occasional preaching, and cultural assimilation.

Position 2: Assistant Pastor / Pastoral Internship

We also welcome applications from recent theological graduates seeking a ministry internship. This individual will gain valuable cross-cultural ministry experience while functioning as an Assistant Pastor.

About Turin

Turin is a beautiful, historic city in northwest Italy. It is surrounded by the Alps, offering incredible outdoor recreation, and sits just two hours from the Italian coast.

To Apply or Inquire

If you would like to learn more about either of these ministry positions, please contact Martin Spadaro in the first instance at spadaro4@tpg.com.au.
